Foothills Feature (15 minute talk)

The Oak Woodland is one of the most diverse and interesting ecosystems in the world. Meet a ranger at the Foothills Visitor Center for an up-close look at some of our favorite foothills features and creatures.

Science of the Seasons (30 minute walk)

The trees are bursting with buds, leaves, flowers and fruits for all of us to observe. Join a plant expert at the Foothills Visitor Center and learn about the science of phenology. You will help record observations for a scientific study.

Junior Ranger Ramble

(One hour of hands-on activities)

Wildlife is all around us, but often all we see are the signs they leave behind. Come discover what bears eat, owls hunt, or what's been sniffing around your campsite! Meet at the Potwisha Campground amphitheater.

Investigation Station

(One hour of drop-in activities)

The park's wild plants and animals have wildly different textures, colors, and smells. Examine a cart full of touchable objects at the Foothills Visitor Center. A ranger will be on hand to help you make sense of your observations.

Twilight Hike (One hour walk)

Evening brings an end to the day's oppressive heat and coaxes the foothills back to life. Stroll with a ranger on the Paradise Creek Trail to explore this magical time of day. Meet at the trailhead in Buckeye Flat Campground. If you are not staying at the campground, park at Hospital Rock and the ½ mile to the trailhead.

Evening Program (45 minute talk)

Gather round for an old-fashioned evening with a ranger. Topics vary daily—find today's at the campground ranger station. Meet at Potwisha Campground amphitheater.
